Enjoy a cultivated version of the great outdoors with the best in garden ornaments and design

1 KLC School of Design is world renowned for the quality of its training in garden design, and its vocational courses are held in the magnificent surroundings of Hampton Court Palace. Ring 020 7376 3377, or visit klc.co.uk. 2 The Heveningham Collection is the ultimate in stylish, elegant iron furniture custom-made in Britain. Only the highest quality materials are used throughout the manufacturing process, and all furniture is coated with hot zinc and then powder, thus ensuring that it is both luxurious and highly durable. Designs include this elegant dining set. Ring 01489

893481, or visit heveningham.co.uk. 3 Whippet Grey offers an eclectic range of beautiful, unusual objects with personality. This Italian Greyhound sculpture (51 x 54cm; £395), sourced from Belgium, is a fine example of lead casting with the more subtle details applied by hand. Ring 01494 890400, or visit whippetgrey.co.uk. 4 Haddonstone is Britain's leading manufacturer of fine cast stone garden ornaments. From planters and fountains to statuary and sundials it has something to add style to any garden. Pictured is its new 'Athenian' vase. Ring 01604 770711, or visit haddonstone.com.
